Cost of Living Grant Group Guidance

Introduction

Asda Foundation's goal is to build resilient communities by empowering local groups to make a positive difference, addressing local challenges and social needs. We aim to achieve this by provide funding to local grassroots community groups to enable them to meet the diverse needs of their community and to help them thrive and grow.

We know communities and grassroots groups have been impacted by the Cost of Living crisis. Many have seen a rise in demand for their services at the same time as a decline in income and rising costs.

This grant is one of three grants underneath our 'Grassroots Grants' programme and aims to support the increased running costs groups are facing because of the Cost of Living crisis, along with essentials.

There are three rounds under this grant and this guidance is applied to round 1 only.

How do Asda Foundation grants work?

Each Asda superstore has a Community Champion, and their role is to support groups and projects within the community, as well as managing Asda Foundation grant applications. The Community Champion in your local superstore will support you in completing your application and will submit the application to the Foundation on your behalf, we cannot accept application direct from groups.

Please use the Asda Store Locator on the Asda Foundation website [here](#) to contact your local store and speak to your Community Champion about how we might be able to support you.

How much can I apply for and when?

- Groups may apply for one Grassroots Grant per year to a maximum value of £1600 and minimum value of £400.
- Round 1 applications must be submitted to your local Community Champion between 27th February – 21st April and activities must start/take place before 2nd June 2023.
- Applications should be submitted to Asda Foundation at least 6 weeks before your activity to give enough processing time. Please give the Community Champion sufficient time.

This document aims to support you through the application process and contains information relating to:

- **What we wouldn't fund – page 3**
- **Criteria – pages 4-5**
- **Grant options & examples – pages 6-7**

What we wouldn't fund

Before completing an application form, you'll firstly need to make sure your group and project meets the eligibility criteria below.

We're here to support a wide range of activities but sometimes we have to say no.

We've included a list of things we wouldn't fund under this grant first to save you time. Please read this section carefully to avoid disappointment.

We do not accept applications from groups which:

- Benefit people/communities outside of the UK
- Are based outside the UK
- Have animal welfare as their main focus
- Cannot demonstrate charitable work in the local community
- Are third party grant making organisations (grantees must directly deliver the service/activity)
- Are schools (PTAs with their own bank account are welcome to apply)

Grant money cannot be used for the following:

- Projects which are only for the benefit of one individual person
- Equipment which will be kept by individuals, rather than the organisation applying
- Insurance
- General utility bills (however we can fund the *increase* in bills due to rising costs)
- Transport costs (unless it's a vital part of your core service, e.g. food provision delivery, volunteer petrol costs to deliver essential food)
- Salaries and running costs
- Work considered a core state responsibility e.g. school lessons, social care
- Short term rental of items
- Promotional or advertising costs
- Alcohol
- Raffle prizes / trophies / gifts (including Easter Eggs)
- Excursions/Day Trips/Restaurant Meals/overseas travel
- Memberships
- Vouchers
- Projects where a high attendance fee is charged. We want to fund inclusive projects
- Sponsorship
- Promotion of religion or politics
- Fundraising and volunteer only events
- Projects which could negatively impact the reputation of Asda Foundation
- For activities that have already taken place

Criteria

Your group must meet the eligibility criteria below. Please check carefully before applying.

Group Criteria

1. The group is not for profit
2. The end beneficiaries are community groups of *people*
3. The group has a presence locally and its work benefits the local community
4. The group has a bank account in its group name and can provide proof
5. The group has suitable governance to be able to manage funds from Asda Foundation. E.g., Financial reporting, committee meetings
6. There is no minimum timescale for how long the group has been in existence
7. Groups can apply for a maximum of one Grassroots Grant per year (in round 1, 2 or 3). *Grassroots Grants are: Empowering Local Communities, Under 18s Better Starts and Cost of Living. This year's Grassroots Grants started at the end of Feb. If a group applied for a Cost of Living grant in Jan/Feb 2023, they can apply again for a Grassroots Grant in 2023. Groups must not apply to multiple stores, they should work with one store only.*

- If an organisation has more than one group in the same community, Asda Foundation will only be able to support the organisation once per year

E.g. A football organisation with multiple teams can only apply for one Grassroots grant per calendar year.

We appreciate that each group and the need in each local area is different, however, there are some common factors we think are important for any organisation we support.

True to their community mission	People Centred
Organisations which are clear on what they aim to achieve and consistently strive towards achieving it.	They are people focused and place individuals at the heart of what they do and why they do it. They promote equality, inclusivity, and diversity.
Efficiently Run	Locally Focused
A well run and organised group with processes in place to comply with not-for-profit requirements and have the skills and ability to do what they aim to achieve.	The space is focused on the local community, delivering services and support to multiple beneficiaries and tackle the needs locally adapting to change to remain relevant.

Criteria

Activity Criteria

1. Each grant has its own funding options and applications must fall into at least one of these options or areas. *More detail can be found on pages 6-7.*

3. Activities for round 1 applications must already be in place or have started before 2nd June 2023.
4. One day events must have taken place before 2nd June 2023.
5. Any equipment funded is the property of the group and is not for individual use.
6. Groups that are supporting child refugees must be focusing on support that is integrating them within society.

Finance Criteria

1. Minimum £400 per grant. Maximum £1,600 per grant.
2. We will continuously review uptake on this grant stream. There is a financial budget cap. If it is reached, the grant round may close early.
3. There are no income limits for groups applying.
4. Groups which charge more than a nominal fee to participate (i.e. membership charges) are ineligible from applying.
5. If items are applied for which do not meet criteria, they may be removed, and the application may be unsuccessful.

Group bank accounts

- All applications must include proof of payee name (E.g. redacted bank statement/paying in slip. We do not need to see transactions)
- If the group uses an umbrella bank account (i.e. is a branch of a larger group) we'll require a ring fence email from the head office stating the money will only be used for the purpose in the application form
- If the group doesn't have a bank account in their group name and uses another associated organisations account, we will require a ring fence email from the account holding organisation stating the money will only be used for the purpose in the application form
- We are unable to accept applications where an individual person's bank account has been listed as the payee name

Grant 3: Cost of Living Grant

We know communities and grassroots groups have been impacted by the Cost of Living crisis. Many have seen a rise in demand for their services at the same time as a decline in income and rising costs. We know groups are worried about how they will pay bills, keep the doors open and continue vital services and activities.

This grant is designed to support the *increased* running costs groups are facing because of the crisis, including rent increases and electricity cost rises. Funding can cover increased costs for a maximum of four months after application submission. The term 'warm banks' has emerged in recent months encouraging community locations to remain open for longer to provide people with a warm, safe place to be rather than heating homes or living in a cold property.

Below you can see a list of options including examples of the kind of things we would fund (not exhaustive). There are three options to choose from under this grant. You must be clear from the outset which one you are applying for within the application form. You can apply for one option, or a combination.

Increased Rent & Utilities	Increased Food Costs	Other Essentials
<p>Funding to help with the <i>increase</i> in rent or utility bills. This option helps bridge the gap by providing funding for the increase (the <i>difference</i>)</p>	<p>Funding for groups supporting those impacted most through the provision of basic food</p>	<p>Funding for the basic essentials to address an immediate need and/or situation</p>
<p>What we would fund: Increase in heating costs for a community group providing a warm bank</p> <p>Increase in rental costs for community organisation supporting a wide number of groups from the local area</p> <p>Increase in electricity costs for a community hub</p>	<p>What we would fund: Food provision for those in need</p> <p>Food parcels and family food boxes</p> <p>Ingredients for soup kitchen / community café to be able to make hot meals</p>	<p>What we would fund: Items to deliver your warm bank offer</p> <p>Basic clothing for a clothes/baby bank</p> <p>Portable heater for warm bank</p> <p>Personal hygiene items</p>

This is not an exhaustive list. If you have any concerns or want to discuss something specific, please speak to your local Community Champion.

Grant 3: Cost of Living Grant

Increased rent and utilities

Funding to help with the *increase* in rent or utility bills. This option helps bridge the gap by providing funding for the increase (the *difference*)

Scenarios:

- A community centre is opening their doors in response to local need. The main hall will be made available three days a week to anyone who wants a warm safe place to spend time. People can use the space for whatever they need. Asda Foundation is supporting them with a grant for £600 to support the additional heating costs from March to April (An increase of £300 per month).
- A group runs craft mess afternoons for toddlers and parents in the local community. The toddlers play with paint, crayons etc and the parents can socialise and meet other parents. The area has high level of deprivation and poor mental health amongst young people. The group is struggling to continue as their rent costs have increased significantly due to the building they use experiencing high costs they have had to pass on. Asda Foundation is supporting them with a grant to support the rent increases for April, May and June.

Increased Food Costs

Funding for groups supporting those impacted most through food provision

Scenarios:

- A community centre is usually open three afternoons a week to offer a social café to the local community. People come for a coffee and socialise with people, most attendees would otherwise be home alone. Due to cost of living increases, attendees have raised their concerns about not being able to afford food on other days of the week, the café is a lifeline for them. As a result, the community centre is going to open 7 days a week, they have the willing volunteers to run the café but can't afford the extra food provision. Asda Foundation is providing a grant to fund the cost of extra food until the end of April.
- A food bank makes food parcels and due to the cost of living crisis, has seen increased food costs at the same time as a rise in demand and less donations. The group is applying for help with the increasing cost of purchasing food

Other Essentials

Funding for the essentials to address an immediate need and/or situation

Scenarios:

- A foodbank has seen a rise in refugees using their services. The foodbank is already applying for a grant towards food, but also needs funding towards hygiene items to include in the essential packs for refugees and others in need.

- Once you have completed the application form, return it to the Asda Community Champion. If criteria is met, they will sign and submit to the Asda Foundation.

Section 3: About the Grant – Group to Complete

3.1 What funding support are you applying for? (Tick all which apply)

- Increased Rent & Utilities
 Increased Food Costs
 Other Essential Items

Further details of each option is available via the group guidance document on the Asda Foundation website.

3.2 Please provide details on what this funding would be used for.

Describe what this funding will be specifically used for in under 200 words, be as detailed as possible

Increased Rent and Utilities:

As a result of the increase in gas and electricity costs, it is costing us more to keep our building warm and welcoming for our service users. Also, as the need for our service has increased, we are staying open for longer. We would use the funding to cover the increase in utility costs we have seen, enabling us to continue to offer our food bank service.

Increased Food Costs:

We rely on food donations from local people and businesses to stock our pantry. As the amount we are donated has reduced we are having to meet this shortfall by purchasing food ourselves. We would use this funding to cover this additional cost to us, as food prices and demand have increased in recent months.

Other Essential Items:

We purchase hygiene items to stock in our pantry. In recent months, the costs and demand for items has increased. Funding would cover this increase in cost.

3.3 Please outline any fees you charge people to use your service and/or this particular activity.

Give as much detail as possible, this might be a one-off charge, annual membership fee or both etc

Description: Service users can pay £4 a week to access £25 worth of food each. If people are unable to pay this, they can access the service for free.	Amount: £ 4
---	-----------------------

3.4 If you are applying for support with increased costs, please provide detail on how your costs have increased monthly.

*We will support an **increase** in costs, **not the overall** costs. E.g. We can contribute towards the x% increase you have experienced in heating costs.*

Gas (heating) - £300	£400	100
Electricity - £200	£250	50

Section 4: Impact of the Grant – Group to complete both boxes below

4.1 What positive differences do you expect the funding will make to your group? (up to 150 words)

This funding will allow us to continue to offer our vital service to local residents. We will be able to focus on continuing to provide our service, and not worry about paying bills that we are unable to afford.

The area local to our food bank has a high level of food poverty and social deprivation. By providing support, this will help support this social need and help reduce food poverty for Newtown residents.

4.2 In the table below, please provide figures for how many direct beneficiaries you expect this funding would reach in both age groups, per month. Please also provide a figure for how many months you expect the benefit from this funding to last.

See page INSERT of the group guidance document for examples on how to complete this table, the funding does not need to cover both age group.

Age Group	Estimate the number of Beneficiaries	How many months support
Children (under the age of 18):	200	3.00
18 and over :	200	3.00

5. SUSPENSION AND TERMINATION

- 5.1 In the event that Asda Foundation determines, in its sole discretion, that the Grantee has engaged in conduct that violates the Anti-Corruption Laws or has breached any material term of these Terms and Conditions, Asda Foundation has the right to immediately suspend and/or terminate any future Donations to the Grantee.
- 5.2 Asda Foundation is entitled to suspend or terminate any Donation to be made pursuant to these Terms and Conditions in the event of any actual or proposed change to the constitution of the Grantee which is material in nature, including without limitation a material change in ownership or control, or a material change to Grantee's purpose or mission.

6. VAT

- 6.1 Both parties acknowledge and agree that:
 - 6.1.1 the Donation is not consideration for any taxable supply for VAT purposes from the Grantee to Asda Foundation;
 - 6.1.2 Asda Foundation shall not be obliged to pay the Grantee any amounts in respect of VAT in addition to the amount of the Donation; and
 - 6.1.3 in particular, Asda Foundation shall not be obliged to pay the Grantee any amounts relative to VAT in respect of any liability that may fall due as a result of the Grantee carrying out the Purpose.
- 6.2 The parties acknowledge that the Donation is inclusive of any VAT whatsoever that may be due.

7. LIMITATION OF LIABILITY

- 7.1 Asda Foundation shall have no liability in respect of the use of the Donation by the Grantee.
- 7.2 Nothing in these Terms and Conditions shall limit or exclude the liability of Asda Foundation for:
 - 7.2.1 death or personal injury resulting from its negligence; or
 - 7.2.2 fraud or fraudulent misrepresentation; or
 - 7.2.3 any liability which may not be limited or excluded by law.

8. CONFIDENTIALITY

- 8.1 Asda Foundation and the Grantee must keep each other's Confidential Information in relation to the Request and these Terms and Conditions confidential and must not use it or disclose it to any third party (or allow anyone else to do so) except as strictly necessary to perform an obligation imposed under these Terms and Conditions. However, that restriction does not apply: (i) to information which is generally available to the public (unless that public availability was caused by the receiving party failing to keep such Confidential Information secret); (ii) to information which was already known to the receiving party (unless the receiving party was already bound by an obligation to keep that information confidential); or (iii) to the extent the receiving party is required by a court order or other legal obligation to disclose such information.

9. AUDIT

- 9.1 Asda Foundation has the right, at its own expense, to review and audit the performance of the Grantee in respect of its compliance with these Terms and Conditions and in relation to its use of the Donation (a "Review"). The Grantee shall at the request of Asda Foundation and upon reasonable notice co-operate with the review, including by allowing duly authorised representatives of Asda Foundation, any regulatory authority, or Asda Foundation's external auditors to inspect, copy and/or audit any and all premises, records, IT systems and employees as Asda Foundation shall reasonably require to carry out the Review.
- 9.2 If the Review identifies areas where the Grantee is not complying with these Terms and Conditions, and where such non-compliance is capable of being remedied, the Grantee shall immediately rectify the failure and take all necessary steps to ensure its future compliance with these Terms and Conditions.

10. GENERAL

- 10.1 The parties agree that any notice issued under the Terms and Conditions must be made in writing (which shall include email) and shall be deemed to have been received 2 days after the date on which it was posted (or in the case of email, at the time of transmission or where the email is received after 5pm on a working day it will be deemed to be received on the next working day). - 10.2 If a court decides that part of these Terms and Conditions are not enforceable in law, that decision does not alter the enforceability of the rest of the Terms and Conditions.
- 10.3 These Terms and Conditions and the documents referred to in it (including the Request), contain everything agreed between the parties in relation to the Donation.
- 10.4 These Terms and Conditions and any non-contractual obligations arising out of or in connection with it shall be governed by English Law. The parties hereby submit to the non-exclusive jurisdiction of the courts of England and Wales.
